| Serviced without awning | Purple     |  |   |
| Premium serviced        | Black      |  |   |

# Accommodation areas

## Site facilities

### Toilets and showers

RADAR keys are required for the accessible facilities. Please ensure that children are supervised by an adult at all times.

### Laundry

All machines are run by tokens which are available for purchase from reception. Washing sinks are also available. Please do not hang washing lines between trees or on fences.

### Play Areas

Please ensure that children are supervised by an adult at all times. No ball games are allowed on the pitching areas.

## Safety on site

### Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, alarm/warning bells are located at the toilet block near the site office and on service points.

### Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site.

### Power cables

Kite flying is not allowed due to overhead power cables.
